

What is OSCARS?

- OSCARS is a non profit-making out-of-school club for children and their siblings (aged 4-12)
- All our staff are Ofsted-registered playleaders and workers with qualifications in first aid, child protection and food hygiene
- We aim to provide a fun, safe and stimulating environment for all children.
- We offer indoor and outdoor games, art and craft activities, reading and lots of fun!
- We give children time to relax before and after a busy day at school.

A Great Place for Children

Play:

Our high quality childcare provides children with exciting, stimulating and educational play opportunities. They will develop their social skills, learn how to share and work together, and most importantly, enjoy themselves!

Learning:

We try to make learning fun with a variety of activity programmes which provide a chance for children to explore, experiment and learn at their own pace.

Support:

We provide emotional support for children by offering continuity and stability.
